1 I, Stephen G. Larson, hereby declare:

2 1. I am an attorney at law duly authorized to practice before all the courts of this state
3 and am a member of the law firm of Girardi & Keese. I represent the Plaintiffs in this matter,
4 and I have personal knowledge of the facts as set forth herein.

5 2. Following the Case Management Conference on May 6, 2010, I was told by Jeff
6 Friedman of Hagens Berman Sobel Shapiro LLP that it intends to submit its own Rule 23(g)
7 motion and attorneys' fee proposal.

8 3. In preparing the proposed fee structure, I have not communicated with any other
9 counsel for plaintiffs or defendants in these cases outside of our group as to the substance or
10 form of the proposal, and I have not had any discussions with other counsel for plaintiffs with
11 respect to potential future work on the Indirect Purchaser Cases. Counsel assisting in the
12 preparation of this submission were advised to maintain its confidentiality and to not
13 communicate with any other counsel for plaintiffs or defendants outside of our group as to the
14 substance or form of the proposal. To the best of my knowledge, no one from our group has
15 discussed or shared the substance or form of the proposal with parties or counsel outside of our
16 group.

17 I declare under the penalty of perjury under the laws of the State of California that the
18 foregoing is true and correct.

19 Executed on May 13, 2010, at Los Angeles, California.
